## Career Entry Initiatives for New Graduates

Whether your organization is hiring newly graduated college students or embarking on an associate development and training program, the Lord Consulting Group can assist.

We work with newly hired graduates in navigating the corporate maze, directing energies toward positive career gains, and continuance of career and educational goals. By addressing, personal, career, corporate, financial, health, and educational issues, our consultants equip the newly graduated employee with skills necessary for career enlightenment and progression.

For the employer, our onboarding, mentoring, and training support saves recruitment costs, increases retention, and results in building of a cadre of key employees for the future.
