Partner Relocation Services

Whether or not a CEO, manager, supervisor or professional employee is faced with relocation, the Lord Consulting Groups proven methodology of career planning and implementation for partners make a move a successful event.

Key components of the service include:

- Support relative to career, school, and career needs
- Identification of strengths, job outlook, and educational requirements for relocating partners
- Career assessment to support new and/or current career objective
- Development of resume
- Training to support job search including networking, interviewing, research, and job search strategy
- Access to web-portal on 24/7 basis for job leads, research databases, and e-coach services
- Networking assistance
- Individualized meetings with coach for personal support
- Identification of appropriate job fairs and networking groups

The Difference: Trusted Professionals Offering Customized Service

"Ginny, thank you for all of your help in getting us settled into the Boston area. My wife was not too happy to leave her job and family in Atlanta. Your help in getting her an even better job really helped me feel better about my decision. Thanks for introducing us both to other people we now consider close family friends. We wonder -- **is there anyone that you don't know?** I've never known anyone go so out of their way to help -- thank you!"
