

Strategic change partners for organizations and their employees

Executive Outplacement Programs

Lord Consulting Group understands the unique needs of senior executives. Its Senior Executive Career Services is designed to address the career planning, financial, and research needs of its candidates. The program melds the following components into a comprehensive career management solution.

- ◆ Career assessment to explore future career strategies
- ◆ Entrepreneurial skill assessment and development
- ◆ Customized resume, biography, and marketing materials (including web site)
- ◆ Spouse/partner participation
- ◆ Interactive e-learning to support on-going education
- ◆ Networking assistance, introductions, and tools
- ◆ Technology support including research databases and professional librarian support
- ◆ Interview training with recorded feedback and assessment
- ◆ Web-based portal for 24/7 support to job leads, research, and e-coach services
- ◆ Financial planning consultation to support career objectives
- ◆ Private office and conference room space, when necessary

The Difference: Trusted Professionals Offering Customized Service

"I really appreciate the up-to-date business research tools you provided. It also helped having a consultant that knew what the market for someone with my experience was like and who was an expert in salary negotiations. The practice sessions helped me to not only land a great job, but I walked away with an 18% salary increase from what I was initially offered after your salary negotiations training and industry knowledge."
